FULL BIOGRAPHY

Dag Heward-Mills is the author of The Makarios, a library of 130 titles, with more than 80 million books published. The Makarios library caters to the needs of pastors, church leaders, and church members alike. These bestselling books answer many questions about the call of God, the anointing, church growth, loyalty, and pastoral work. They also provide practical guidance for the work of ministry, church leadership, and evangelism, helping readers understand how to become strong Christians.

Dag Heward-Mills is the founder of the United Denominations Originating from the Lighthouse Group of Churches, which currently has 7,649 churches across all the continents of the world. He has blessed the Christian music arena with more than 300 songs. An international conference speaker, Dag Heward-Mills is also the international healing evangelist of the Healing Jesus Campaigns, which have held 275 campaigns across 41 countries. He is the founder of the Anagkazo Bible School, one of the leading Bible training institutions in the world. A medical doctor by profession, he has served in ministry for more than 40 years, training pastors, strengthening churches, and preaching the gospel internationally.
